ANZAC Day

28 April

Teacher Only Day

29 April

Remote Learning
Alert Level 3 begins

Kia ora Parents and Caregivers,

Firstly, thank you for supporting the children in their Remote Learning. Your feedback has been incredibly valuable.

I would like to keep this message as brief, direct and clear as possible. I need all of you to reply by 3pm tomorrow please.

As we prepare the school to move into Alert Level 3, we must establish a Level 3 attendance roll.

Ministry of Health key message is that, if you can, you should keep your child at home. If your child has a health condition or is sick, you must keep them at home.

Students at school will;

- Be supervised between 8:45am and 3:05pm
- Continue with the same Remote Learning package as students at home.
- Be in groups of 10, with social distancing and controlled break times.
- Need to bring their lunch.

The school site remains closed to parents, caregivers and visitors.

The team here miss the students and we can not wait to get the Ponsonby Experience up and running again!

Please reply to the survey asap so we can proceed with planning.
