Ponsonby
Intermediate School

Articulate, energised achievers, ready for the future

3 September 2020

Kia Ora Ponsonby Whanau,

Springing into Spring, and only three weeks until daylight saving!

This week we have over 96% in student attendance... usually at this time of year we sit at 92%. I'm glad we are all healthy and school seems a safe and happy place for everyone.

In this newsletter, I'm sorry we are unable to give much clarity on pending school events. Perhaps next week there will be greater certainty. However, I can assure you we have a massive list of events we intend to roll out and catch up on: Cross Country, Performance Evening, Art Exhibition, Camps, Athletics Day, Market Day, ICAS Exams, Mathex and I have asked the students to come up with more ideas.

One event we are confident can be done safely in Alert Level 2 is our Great House Race (with modifications). Katie, Chrissie and the Councillors have been busily planning and I know everyone will be keen to get amongst a pumped up Ponsonby Experience again.

We have been monitoring the students using bus services after school, thank you for your help, the mask wearing has been perfect!

Let's give a mention to all the Ponsonby Dads out there, enjoy your Fathers' Day on Sunday.

Regards,

Nick Wilson

Principal
